

Aspirations

Your dreams and our attitude
will determine your altitude in life.

Priorities

Our greatest danger in life is in permitting
the urgent things to crowd out the important.

Baseball Trivia

- ❶ How many balls did it take to walk a batter before 1880?
 - a. 3
 - b. 5
 - c. 7
 - d. 9
- ❷ What player holds the record for stealing home?
 - a. Lou Gehrig
 - b. Jackie Robinson
 - c. Ty Cobb
 - d. Kenny Lofton
- ❸ Who was the first major league player to have his number retired?
 - a. Ted Williams
 - b. Lou Gehrig
 - c. Babe Ruth
 - d. George Kell

Buffalo Chicken Cheese Balls

INGREDIENTS

1 store bought rotisserie chicken
 ¼ cup hot sauce (Frank's Red Hot)
 1 tsp. ground black pepper
 1¾ cups sharp Cheddar cheese
 ¼ cup freshly sliced scallions
 1 cup all-purpose flour
 3 eggs, lightly beaten
 2 cups panko bread crumbs
 vegetable oil, for frying

BLUE CHEESE DIP

1½ cups mayonnaise
 ½ cup packed blue cheese, broken up
 ½ teaspoon hot sauce
 2 teaspoons Worcestershire sauce
 1 teaspoon salt
 ½ lemon, juiced
 1 teaspoon chopped garlic

DIRECTIONS

1. Have oil heated to 350° F
2. Pick the meat from the chicken and discard the skin.
Place the chicken in a large bowl and add the hot sauce, pepper, cheese, and scallions, and toss to combine. Roll the chicken into 2 ounce balls, about the size of a golf ball.
3. Place the flour, eggs, and bread crumbs in 3 separate bowls. Roll each ball in the flour, then the egg and then the bread crumbs. Set aside.
4. When the oil is hot fry the chicken balls in batches. Cook for about 2 minutes per batch. Remove the chicken to paper towel lined plate to drain the excess oil.
5. To make the sauce, combine all ingredients in a large bowl and adjust the seasoning if desired.

ATTENTION GRADUATES!

It's time to celebrate and congratulate!

FUNTIMES MATH SQUARE

	-		-		2
-		+		+	
	/		-		-6
-		x		-	
	+		x		40
-1		21		10	

- Try to fill in the missing numbers.
- Use the numbers 1 through 9 to complete the equations.
- Each number is only used once.
- Each row is a math equation.
Work from left to right.
- Each column is a math equation.
Work from top to bottom.
- * Remember that multiplication and division are performed before addition and subtraction.
