

The *Touch of the Master's Hand* reinforces Myra Brooks Welch's powerful and inspiring poem that helps us better understand and realize that God places far more value on restoring our soul and renewing our faith than putting a price on the external value of a person's life.

Author Bob Kelly does a masterful job of pairing the poem with a collection of inspirational writings that will remind you of your uniqueness and significance to God. Full-color hardcover gift book features beautiful still-life and scenic photography throughout.

"My children love me to read this story. It makes a great gift for an admired teacher, one that has shared great gifts of learning with my children." - Helen V.

"The Touch of the Master's Hand provides a wonderful image of the worthiness of every individual in the eyes of God, even when other people may not recognize their worth or value. This is a book which is good for all ages." - Anne E.
